The poster features a vibrant, stylized illustration. A large, textured red apple is the central focus, with the event title 'FÊTE DE LA POMME' and '46e édition' written on it. A small chef's hat icon is placed above the word 'FÊTE'. The background is a mix of warm colors like yellow and orange, with green leaves and small white flowers. Festive bunting flags in red, orange, and blue are strung across the top and bottom. The overall style is cheerful and celebratory.
